This freshly renovated property is nestled in the heart of Drysdale- with a generous yard and all the potential to be the perfect family oasis. No need to spend money on improvements - as this beautifully updated property already boasts a host of remarkable features. Featuring genuine separate living zones at each end of the property including formal living room at the front of the home, separate meals/dining and open plan family room leading out to a sunny rear yard. The master bedroom has built in robes and an ensuite with toilet, vanity and shower, while 2 further bedrooms share a wonderful family bathroom which includes shower over bath and spacious vanity with ample storage space, perfect for a large busy family. Contemporary kitchen is well-appointed for the gourmet enthusiast, equipped with gas cooking appliances, plenty of storage space and stainless steel dishwasher, ensuring every meal is made with speed and comfort. This family favourite boasts a lock up garage plus gates to allow drive through access for the boat trailer or caravan and a beautiful low maintenance yard ready to plant trees, veggie garden beds or storage shed. With parklands, schools, town centre and all amenities just a short walk away. Beautifully presented inside and out, this attractive, light filled property will sure to impress.
