Wander past the beautifully landscaped front garden with a fishpond and calming water feature, protected by a high brush fence that offers privacy from the street. The interior is light-filled and features a well-balanced floorplan, introduced by a generous lounge and dining room with a garden outlook, before making your way through to a family room and stylish kitchen appointed with high-quality Miele appliances, a large walk-in pantry and terrific storage space. Accommodation has been thoughtfully zoned and includes the secluded master bedroom at the front of the home, finished with a modern ensuite and a walk-in robe. Towards the rear, there are three additional robed bedrooms (including one with deck access) and a contemporary family bathroom with a freestanding tub, rain shower, designer tiling and a separate toilet. French doors open from both the dining and family room to provide a seamless indoor-outdoor connection to the established backyard and large covered alfresco deck, perfect for casual meals, family get-togethers or larger celebrations with friends. Finishing touches include ducted heating, split system air conditioning, outdoor awnings, a water tank, large veggie garden and a double auto garage. At the end of a quiet no-through road, walk to Mount Pleasant Road Primary School, and a few metres from Felicia Dale that leads to bus services on Canterbury Road and Brentford Square, with seamless access to Nunawading Train Station, Forest Hill Chase, zoned for Vermont Secondary College and handy to Deakin University, Home HQ, the Eastern Freeway and EastLink.
