Situated on a low maintenance block in the new Glen Haven Estate, this beautiful three bedroom one bathroom north facing home is delightful. The kitchen meals lounge takes up the entire north frontage of the home giving a lovely outlook over the park opposite and features split system air conditioning as well as the home being centrally heated. All bedrooms have built in robes, and are central to the family bathroom and separate toilet. The laundry is very well appointed and leads out to the nice compact year yard. A double garage completes this very nice modern home. Available 24th May. Please complete an online application for this property prior to requesting an inspection.
