Private Inspections Available Prepared to be Impressed, as the attractive facade of this elegant home is only just the beginning. A hidden gem positioned at the end of a quiet cul de sac on Berwick's sought after North Side. A craftsman built family home featuring extensive timber flooring, high ceilings, decorative cornice and joinery which provides a feeling of quality and class throughout. With a bespoke renovated kitchen, the stone benches complement crisp white cabinetry, whilst a monotone bathroom and ensuite are timeless and classic. All the hard work has been completed, so you can simply move in and enjoy! This flexible floorplan boasts 4 generous bedrooms and fitted study, with an extra multi-purpose room downstairs. An elegant lounge and open plan kitchen and family room provide zoned living for any growing family. Your decked entertaining area extends from the home, offering privacy and spectacular garden vistas, highlighted by a stunning golden robinia and many other mature trees. Buy with confidence and invest in the future, book your inspection today.
