This alluring weatherboard residence, which dates back to the roaring twenties, has effortlessly kept up with the times, boasting high ceilings and gleaming Baltic pine floors throughout. You enter a large open-plan living and dining room warmed by ducted heating with views of a stylish kitchen outfitted with a stainless-steel upright oven/cooktop, dishwasher, and plenty of storage space. There are two robed bedrooms and a modern family bathroom, as well as a quiet north-facing home office/laundry tucked away at the back. Entertaining is well catered for, with a large front yard that is completely private from the street - enhanced by bluestone paving and an open-air deck - and a large pergola at the back that can be enjoyed at any time of year. **DISCLAIMER** - We have in preparing this advertisement used our best endeavours to ensure that the information contained is true and accurate but accept no responsibility and disclaim all liability in respect to any errors, omissions, inaccuracies or misstatements in this advertisement.
