On approximately 618sqm of land with the area's key lifestyle attractions all close by, this classic sixties' home provides a family environment of immediate comfort and convenience with terrific options to further enhance, start anew or possibly redevelop (STCA). Well-presented throughout, the home's previously expanded interior comprises four good-sized bedrooms (all with BIRs) serviced by a central bathroom, separate WC and second shower to the well-sized laundry. Adding to the appeal is a light-filled front lounge and adjoining dining area, through to the open-plan kitchen with stainless steel cooking appliances, including dishwasher, and through to the second living space. Other features include heating and cooling, internal laundry, plus a wonderfully established backyard with spacious undercover entertaining area, established perimeter gardens and lock-up garage with additional storeroom, and long driveway for off-street parking. In the heart of Keilor East walking distance to Centreway cafes and shops, local buses, popular schools (including PEGS) and the new Keilor East Leisure Centre, it's also close to Steele Creek trails and the open spaces of Spring Gully Reserve as well as easy access to the Calder Freeway.
