Brand new, never lived in, perfect for first time buyers, small families and investors, this super-stylish four-bedder is part of a growing estate in thriving Beveridge. Quality finishes, soft tones, high ceilings and plenty of natural light, the continuous-flow strikes the right balance between private rooms and shared spaces. Moments from the freeway, Beveridge Primary School and Club Mandalay, buyers will love the amenity-rich locale. A front sitting room/study is followed by a bright and airy kitchen/living/dining zone. The well-designed kitchen features a generous breakfast bar, smooth stone surfaces, dishwasher, custom cabinetry, and premium appliances. Set against a private backyard, established lawn and low-maintenance gardens, sliding doors roll back to reveal a patio area that's sure to be a treasure once updated with your personal touch. The large primary bedroom suite comprises a walk-in robe and a pristine ensuite, while three additional bedrooms all come with built-in robes and share another ultra-modern bathroom, including a separate bath and shower and a separate toilet. Other highlights and creature comforts include a space-efficient laundry, ducted heating, split-system cooling plus a double remote garage with internal access. Modern design excellence and so well located, 17 Constable Street provides a high quality of life. **DISCLAIMER** The vendor, agent, and agency in preparing this information have used our best endeavours to ensure that the information contained therein is true and accurate but accept no responsibility and disclaim all liability in respect of any errors, inaccuracies or misstatements contained herein.
