NEW TO MARKET

If you're weighing up the idea of building or buying established ... then look no further than 17 Daffodil Way, Karnup! Building was complete in 2022 and with this home being only 1 year old, its almost brand new with all the latest features! The home consists of 4 spacious bedrooms, 2 bathrooms, Theatre Room and double lock up garage. The kitchen in the home is fantastic with heaps of storage and quality appliances. Reverse Cycle Ducted A/C is throughout the entire home, a must have for the upcoming summer! Solar Panels are included. With blocks getting smaller in Perth, this home set on a 450m² block has a decent sized backyard with enough room for pets or even a swimming pool! There is no question this home will be snapped up quickly and must be at the top of your buying list this weekend. A price guide is available based on appraisal range. Earliest available viewing time is the home open this Saturday 1:30pm - 2:00pm. It's an absolute pleasure to present this home to market. Matt Hughes - 0401 459 405
