This recently-built home is located in the thriving neighborhood of Mickleham and offers a low-maintenance family lifestyle with a well-designed floorplan and high-quality finishes throughout. The property perfectly blends modern style and sophistication while paying attention to detail to reflect the unique character of its surroundings. Its location is also convenient, with a newly-built shopping center just a few minutes away on foot, featuring cafes, medical centers, grocery stores, and even electrical vehicle charging stations. The interior of the home is meticulously designed and boasts many impressive features, including four generously sized bedrooms, two of which are master bedrooms, and the other two with built-in mirrored robes. The three bathrooms are equipped with stone-top vanities, rain-head showers, on-trend black tapware, and floor-to-ceiling tiles. The adaptable open-plan living/dining area is flooded with natural light, while the gourmet stone-bench kitchen features an island breakfast bar, tiled splashbacks, soft-close cabinetry, and ample cupboard space. The home is also equipped with square-set ceilings, fully upgraded inclusions, refrigerated heating and cooling, a full-size laundry with a stone benchtop and tiled splashback, high feature ceilings, custom LED lighting, black tapware throughout, blinds, and expensive high-quality sheer curtains throughout the house. An alarm and intercom system are also included. Sliding doors lead to a sunny, low-maintenance courtyard, and the home comes with the added convenience of a remote-control garage and internal entry. The location is just moments from Merrifield City, which features Coles, specialty stores, Marnong Estate, Hume Anglican Grammar, Mickleham Primary School, Merrifield West Primary School, various childcare centers, and other essential amenities, with easy access to the Hume Fwy/Hwy. This is one home you don't want to overlook. For all enquiries contact Jack on 0422 777 504.
