Reap the reward from the potential offered here with the convenience of a short walk to schools, hospital, and medical centre. Original living area has been enlightened with glass doors, providing great space, three bedrooms, excellent master with split system and sliding door to rear patio, very functional kitchen / meals area and renovated central bathroom. Great block of land with rear shedding incorporating car garaging, laundry, and storage. Integrated solar system, solar hot water and original tiled roof has been replaced with corrugated iron. Entry level proposition, so much upside with a little imagination and a flair for refurbishment. Inspections by appointment only.
