Built on a grand scale in great approx 840sqm grounds, updated with the finest quality and elevated above it all, this four bedroom plus home-office, 2.5 bathroom home is where resort living meets an entertaining life. Opening beyond hedged, rose-border formal gardens, this expansive multi- zone home takes living to a new level with traditional formal, kitchen-dining, family and first-floor living zones... plus a state-of-the-art, fan-cooled al fresco pavilion - with plumbed-gas and charcoal BBQs to entertain by the sparkling pool in all seasons. Settled in palm-fringed north-facing gardens with a sun-deck to lounge by the pool and a tiled swim-out to lounge in the water, this amazing entertainer offers a cutting-edge kitchen; wrapped by Calacatta-style waterfall-edge stone benchtops, and appointed with Bosch induction cooktop, and dual ovens. Uncompromising by design with a hotel-style master-suite (encompassing a spa-ensuite and walk-in robe), this 5 Star home brings together the finest finishes; from natural marble benchtops for the fully-tiled bathrooms (and powder-room), to premium plantation shutters, to streamlined media-cabinetry and storage. Adding prestige practicalities to this leisured life, the home features ducted heating and cooling over two zones, a ducted vacuum system, video-intercom and alarm. Ready for business at home there's a fitted dual-workstation for the home-office, and an abundance of outdoor amenity with a double auto-garage plus parking, secure slimline storage -sheds and a high-capacity 24-panel solar-energy system. High on family lifestyle just a dozen doors from Halley Park, this substantial family home has Patterson's village and station, and the South Rd bus each within a half a dozen blocks, and parks and schools all around - including OLSH around the corner and Tucker Rd Primary School in Zone.
