With an exceptional street presence, this stunning brick and colorbond home, built in 2010, has been meticulously maintained by the current owners and presents as new. With high ceilings and a combination of solid timber and stylish tiled flooring, the elegant neutral colour palette throughout contributes a sense of tranquility to this gorgeous move-in ready home. The backyard has room for the kids or pets to play or a small plunge pool. Relax on the decked patio and enjoy the calming effect of the water feature and landscaped established gardens. At a Glance.
