A beautifully designed kitchen with free standing 900mm gas cooktop/oven appliances, dishwasher, and ample cupboard space, overlooks a huge open plan dining area which leads to a great sized living area. Beautiful floors throughout the home flow onto a magnificent entertaining area with fully landscaped gardens. This property also provides you with a huge carport accommodation leading through to a lock-up shed/workshop. Extra fixtures and fittings include central heating and evaporative cooling, split system, ducted heating, light filtering and block out roller blinds, solar panels, automated sprinkler system, plenty of natural light throughout the home and a low maintained garden with plenty of lawn space suitable for all to enjoy. Close access to all three freeway entries, with only 15 minutes away from Melbourne CBD. Don't miss out on the opportunity to grab one of Tullamarine's finest.
