In leafy Mount Evelyn, relaxed modern living meets impressive garaging on a landscaped full block, creating this well-rounded property you will want to make yours. Perfectly private and neatly presented, it delivers streamlined open living with a desirable North-East orientation, polished hardwood floors, and a stainless-steel equipped kitchen. The interiors are completed by three bedrooms, a bathroom with updated tapware, separate toilet, and a full laundry, with comfort inclusions of reverse cycle heating and air conditioning. A lovely, covered entertaining deck opens to the vast backyard with wide open spaces for kids and pets to play within fully fenced security. Easy care gardens surround the home and at the end of the driveway, behind secure double gates, there is a large double garage and high clearance carport welcoming home the cars, utes, caravans, boats, and trailers, still with plenty of parking available on the driveway. An easy walk to the neighbourhood playground, bus stop, Warburton Trail, and a short drive to the shops and schools, this is a wonderful place to simply relax in modern style inside and enjoy the leafy ambiance of Mount Evelyn outside.
