Residential Land For Sale

Thursday, 18 January 2024

17 Hillcrest Street, Stanthorpe, Qld 4380

Area: 1012 m2

Type: Residential Land

Logan Steele

\$250,000

Now this is remarkable - fancy a vacant block is a prime location in Stanthorpe township becoming available and with a 3 bay 2 door metal garage plus a timber framed garage and workshop included. The previous house burnt down and the site has been cleared ready for a new build to suit your needs. 20 meter frontage and with a 50 meter depth, this 1,012M2 block is very generously sized.
