Upon arrival, you are welcomed by a stylish brick feature wall and sleek floorboards throughout. It is here where you will find the conveniently allocated front bedroom. Following down the path of this brick feature wall, you are met with an abundance of natural light shining through thanks to the skylights in the ceiling. It is also on this path that you will find the second bedroom. Both of these well-sized bedrooms boast high ceilings, new carpet/new paint, large windows to allow the natural light to come through and good-sized closet spaces. The nicely tiled bathroom features a wide single-vanity with lots of drawer space to store your things, as well as also containing a bathtub for those times when you need to relax after a long day. As you make your way throughout the expansion of the home, you are welcomed by a fully tiled open-living layout. It is here where you will find the spacious kitchen and dining area containing a well-placed split system. The kitchen features a decorative tiled splashback, ample storage options, and stainless steel appliances. This large open-living space is perfect for both relaxing and entertaining. Some additional features include separate laundry & toilet, an undercover carport, easy access to the low-maintenance courtyard with a garden shed, walking distance to the playground, as well as being in close proximity to the local shops and the Seabrook Primary School. If you're looking for an easily-maintainable home situated in a great location with easy freeway access then look no further. 17 Hope Place in Seabrook is the perfect opportunity for you.
