## **STUNNING BRICK HOME IN QUIET ESTATE**

This brick and tile home is only a few minutes from the Warwick CBD.

Situated in one of the prime estates of Warwick, this home sits on a 700 square metre corner block. The home has four bedrooms, with the main bedroom showcasing an on-suite and a walk-in-robe. The other three bedrooms all have built-in wardrobes.

There is a lovely kitchen with lots of bench space and modern appliances. The kitchen flows onto a large open-plan living area that has a reverse cycle air conditioner. There is also a formal lounge room away from the main living area where you can sit with a good book or watch a bit of television.

Car accommodation is no problem as this home has a double lock-up garage.

There is also a lovely patio area for your enjoyment when friends come over for a barbeque. The property also has a small rain water tank.
