Charmed with practical proportions ready to make your own, this red clinker brick home presents a spacious family layout with three bedrooms, a light-filled social domain and a secure rear yard. Occupying a position at the base of a quiet cul-de-sac, a pedestrian-lifestyle offers Mahogany Rise Primary School, local shops, public transport and local reserves all within reach. An all-original interior presents comfort for today with unlimited potential for tomorrow, welcoming immediate investment potential or an easy living experience while ideas begin to take shape. Bringing the warmth of original timber wall panelling to an open living/dining and kitchen domain, a retro feel continues as three generous bedrooms, a central main bathroom with combined shower and tub, and laundry with private toilet are revealed. Providing modern day comfort with a split-system heating/cooling unit in the living domain, the home completes its offering of a secure periphery, double garage, north-east facing alfresco and private rear yard across its 689sqm (approx.) block. Establishing commuter convenience with easy freeway access, find Frankston's major retail hub and Seaford's shopping village and coastline only a short drive from home.
