Very rarely does a plum green title block of land like this come onto the market. Slightly elevated with a leafy outlook, this 504m² block is right on the edge of the Maylands border and is just 450 metres from the Meltham train station. Also, just a short walk to the Whatley Crescent/Eighth Avenue café strip, local shops, bars, restaurants and the Maylands Primary School. Surrounded by quality homes in a fantastic streetscape, this block of land is a great opportunity to build your dream home. Be quick!!
