Looking for a family home in a convenient location? This 1988 property with an easy floorplan, generous allotment, shedding and privacy could be just what you are after. Set behind a private native garden on a large allotment of just over 1,000m². A paved entrance leads to the home which comprises five bedrooms, master complete with walk in robe and ensuite. The remaining bedrooms are a good size with the 5th bedroom currently being used as a study. The kitchen is located in the heart of the home and provides great access to a casual dining area. Adjacent this is a more formal living room which is inviting with slow combustion heating and exposed brick feature walls. The home has picture windows and enjoys natural light throughout. Sliding glass doors open to a rear veranda ideal for entertaining or just a nice sunny place to sit and watch the adventures of the resident turtle in the pond. Full fenced there is a carport and double shed complete with concrete flooring and power. Various fruit trees dot the rear yard which also has room for veggies. There is both mains and rainwater to the property and 2kW of solar. This is a low maintenance property ideal for a family or lock up and leave while you travel.
