***HOME OPEN CANCELLED ***Perched in the Clifton Hills area of Kelmscott is this large 3 bedroom, 1 bathroom (plus 2nd toilet) home, with 2 separate living areas is waiting for new owners to add their finishing touches to make it their own. As you enter through the hallway you are immediately welcomed into an expansive L-shaped formal lounge and dining area, featuring two full-length bay windows that infuse the space with charm. The generous open-plan kitchen, family, and meals area, equipped with ample workspace, storage, pantry, wall oven, and hot plates. The kitchen provides a vantage point to oversee children playing in the lawned garden or simply unwind while gazing at the hills. Character is added to this area with beautiful slate flooring and a Jarrahdale wood stove. Step through large sliding doors you can access to access the garden and full length pergola / entertainment area that invites you to relax and enjoy scenic views of the hills, accompanied by the soothing sounds of birds. Conveniently located near buses, trains, shopping centres, and the esteemed Clifton Hills primary school. NOTE: These photos were taken prior to the current occupancy, internally they do accurately depict the condition of the property. However, externally the grass in the gardens is now predominately sand. The grass will need to be replaced.
