What a magnificent position this is backing onto East Burwood Reserve, putting you at the very heart of lovely green spaces for sport and relaxation. The character-rich 3-bedroom home offers high vaulted ceilings in its front living room, a pergola alongside the family room and a privately zoned bedroom wing with skylights in the 2 bathrooms. It's a setting that's bright and inviting, with plenty of indoor-outdoor connection including lovely parkland views from the paved rear garden. A bay window in the kitchen adds to the appeal, drawing in lovely light into the central cooking hub which comes appointed with top shelf Bosch appliances to cater for the home chef. Secured by Colorbond fencing, and featuring ducted heating, evaporative cooling, automated sprinklers and a double garage, this charmer puts you close to Burwood East Primary, Burwood One Plaza and The Glen, major bus and tram services including the 75 tram to the city, and best of all surrounded by beautiful parkland to embrace the leafy beauty which has made Burwood East a prize pick for home buyers.
