At the front of this delightful home, the red brick paving leads to a double carport and a wide front verandah with white wood trim. Inside, settle into the comfortable living area with loads of light and a combined kitchen, meals and lounge room. The master bedroom with ensuite and walk in wardrobe, a bathroom and three additional bedrooms make room for a small family. Outside, the large alfresco entertaining area faces East and takes in that wonderful morning sun. There is vehicle access to the single car garage and an established garden with minimal maintenance and space to run and play. In summary:

- 905 square meter lot
- 4 bedrooms including one queen size, one double and two single bedrooms
- Kitchen with pantry, dishwasher and meals counter
- Dining and lounge area with large light filled windows
- Wood panel flooring
- Reverse cycle air conditioner
- Large alfresco entertaining area
- White picket fence and gate providing access to the rear of the property
- Double carport
- Single garage plus additional storage
