Presented with pride, this classic 3 bedroom brick home offers a compelling scenario for home-buyers, builders and developers on some 651m². The lovely tree-lined street just metres to village shopping, buses and Boroondara Park Primary School provides an outstanding context for a stunning new home. The No. 285 bus is just footsteps away and travels from Doncaster, past Fintona to Camberwell station, the trams along Whitehorse Rd and Doncaster Rd access Kew's private schools whilst kinders, Koonung Creek trails, Leigh Park and freeway are all easily accessible. Compelling scope in a perfect position.
