Perfectly located in a quiet Palm Cove cul de sac you will find this amazing family home that offers the perfect Far North Queensland lifestyle! Surrounded by the Macalister Range the views from the backyard and pool area are absolutely breathtaking, the perfect way to kick back after a long day. Just a short distance from the world famous Palm Cove Esplanade you will have one of the best beaches in the world along with some of Cairns best restaurants and cafes just around the corner.

We all live in Cairns to enjoy the amazing weather and this home offers the perfect integration of indoor and outdoor living. The alfresco area is huge and wraps around from the dining/living areas all the way around to the master bedroom. This home has been so well designed that both spacious living areas whilst offering separation do take in views out to the alfresco and pool area. They say the heart of the home is the kitchen and that is certainly the case with 17 Macarthur Close, the centrally located kitchen offers easy access to both living areas and the dining area whilst overlooking the fabulous alfresco area and sparkling in ground pool. The kitchen is equipped with loads of bench space, storage and an electric cooktop/oven.

The king sized master bedroom is both expansive and practical, featuring a walk in robe, ensuite and direct access to the alfresco area. The 3 other bedrooms are all large in size and are air conditioned. To all the outdoor enthusiasts out there don't stress there is plenty of room for the toys. There is side access that allows storage for a boat, caravan or camping trailer. On top of that the double lock up garage has drive through access for you to be able to bring a trailer through.
