"Hillcrest" is a characterful double brick cottage built in the late 1800's situated in the thriving town of Young. Its recent internal renovation seamlessly blends period features with modern conveniences. Explore AirBnB options, as this house is only 200m* from the bustling main streets of Young. The possibilities here are in abundance. Period traits including polished cypress boards, high ceilings and original fireplaces. Organic street appeal to capitalise upon with its classic front verandah & cottage facade. 2 good sized bedrooms with gorgeous fireplaces plus cosy lounge room with air conditioning. Modern kitchen with dining, good storage and dishwasher, plus a new & improved bathroom. External laundry/storage/2nd toilet out the back; additional living or granny flat potential. 701m² block with side lane access, large backyard & lots of room for a shed or secondary dwelling. Strong rent potential of approximately \$350/week, or consider AirBnB for approx. \$220/night. All the hard work has been done here and yet there is still plenty to capitalise on if you wish. Properties with this much character and this close to town do not come along very often, so you best be quick. Contact Adam Strong on 0438 825 800 for more information.
