This beautifully presented property has all you need plus more. A well designed home with open plan living, 2nd lounge area and media/office room. Spacious master bedroom with well appointed ensuite and WIR, bedrooms 2 and 3 are carpeted with BIR. The kitchen/living/dining area is the focal point for the family which opens onto the outside entertainment area and swim spa, this home is of exceptional quality with double glazed windows tiled living kitchen area and quality drapes and curtains throughout. Well established gardens, 2 large bird aviaries, vegie garden and small orchard. Double garage with remote door, inground sprinklers supplied via S/D bore, rainwater tanks, town water, solar panels and a workshop plus self contained guests apartment in the large L/U shed. I would invite you to take the time to inspect this property and see for yourself what a complete package this is.
