Looking to invest, or upsize to enjoy more living space and land? This property delivers, and is only short drive from the local primary school and shopping centre, with fabulous waterways and more schools and amenities within easy reach. Deceptive from the frontage, the updated home and the wide side access lot are very spacious. There is ample room to fit a boat or RV down the driveway, which flows to a double garage (9mx6m powered) and steps to the upper tier of the lot, which reveals a shed, chicken run and fabulous big family yard, which is a duplex block of 916sqm. The home's modern interior offers the luxury of a sizeable and most welcoming and comfortable semi-open formal lounge and dining area. There is also dual access to a separate light and spacious casual open living and dining area and a great new-look kitchen. Savour all the practical kitchen features including solid timber benchtops, lots of storage and a dishwasher and an integrated and combined 900mm oven and air fryer. Put the kitchen to great use and entertain indoors, or relish the privacy of the sunlit, fully-enclosed alfresco retreat. The comfort of the open hub is enhanced by an r/c air-conditioning and ceiling fan. Enroute to the open hub is general storage and a delightful master suite, with robes and a trendsetting ensuite. There is a second bedroom with robes off the casual living area, and two more with robes in the family wing, which also has a neat laundry, separate toilet and another stylish new bathroom. Essential viewing in its price range. For more detailed information or to arrange a private viewing please contact Paul Armstrong on 0459 381 382 or Natalie Cameron on 0416 416 822
