A modern transformation has turned this traditional four bedroom two bathroom home into a model modern residence in the Balwyn High School zone. Featuring a very large main bedroom with ensuite and walk-in robe, a family bathroom in modern style and a kitchen with new Caesar stone benchtops. Polished floorboards in the naturally light entrance hall open to a living room with open fireplace, while a family room with cathedral windows brings the rear garden virtually inside and a patio with peaked roof provides an excellent outdoor living and entertaining area. All freshly painted with a two car garage walking distance of schools, parks, swimming pool and tramways. This is a tradition well worth keeping. Terms: 10% deposit, balance 60/90/120 days
