This three bedroom timber framed residence is situated directly across from a leafy park/playground. Each of the three bedrooms is equipped with built-in robes. The kitchen boasts timber cupboards, gas and electric cooking facilities, a double sink, and a slow combustion wood heater. The separate lounge room features attractive floorboards and a gas wall heater. The bathroom includes a spa bath, shower recess, toilet, and a separate powder area, along with the convenience of an additional second toilet. The roof has been replaced. An Eastern-side deck, accessible both internally and from the carport, offers a delightful outdoor undercover entertaining space. A sizable 6m x 6m (approx.) garage, complete with a concrete floor and power supply, serves as an excellent workshop. The fully fenced rear yard ensures a secure environment for housing chickens and other pets. Given the swift pace of property sales like this one, prompt inspection is recommended!
