Bigger than you expect, renovated like you want, and located where you need to be, this home has a lot to offer including move in ready appeal. Spacious living flows over dark timber floors and between formal and casual spaces. The L-shaped lounge and dining leads through to the kitchen and meals/family with electric fire, easy backyard access, and desirable separation from the bedrooms. White cabinetry in the kitchen is topped in stone, fitted with stainless steel appliances including a dishwasher, and features a handy breakfast bar. Along the hall you'll find three well-sized bedrooms with carpet, two with built in robes and the master with a walk-in robe through to ensuite. The main bathroom and laundry are also here for busy mornings, while the fourth bedroom is at the entry providing flexibility to be used as a study or small playroom. Outside is low maintenance with a small lawn area, paved zone, and covered deck providing plenty of options for outdoor enjoyment. Also with ducted heating, reverse cycle air conditioning, day/night blinds, and a single carport, this renovated home is ideally set between Mooroolbark and Chirnside Park and could be the one that you call your own.
