This low-maintenance home, situated on its own title, is an ideal investment or downsizer. Upon entry, you'll find a spacious open-plan kitchen, living, and dining area equipped with modern appliances, including a dishwasher, gas cooktops, and an electric oven. The three spacious bedrooms, all with built-in robes, offer comfortable living. The family bathroom provides a separate shower and bath for added convenience. Completing this home is central heating throughout, reverse cycle split system air conditioning, an enclosed rear yard, and a single lock-up garage with direct access into the home. If you're seeking a property within walking distance to Delacombe Town Centre, public transport, Early Learning Centres, and schools, this is the one for you. Call today to schedule your private inspection.
