"With its feel-good interiors, sunlit backyard and premium positioning, this smartly renovated old-school terrace is all set for easy Newtown living", says local specialist and long-term resident Charles Bailey. "It offers the perfect space for those looking for a low-maintenance lifestyle in a private retreat that's tucked away close to all the action." This great location is quietly positioned walking distance to the heart of Newtown with King Street's restaurants, wine bars and the train station within close range.-Light, airy and open interiors feature an air-conditioning living space.-Level access to an east-facing rear courtyard and large lock-up shed.-Quality cook's kitchen includes an island bench and sleek gas fittings.-The three bedrooms are doubles and all have big built-in wardrobes.-Large attic storeroom, built-in shelving, built-in desks and ceiling fans.-A bright modern bathroom and an internal laundry plus gas heating.
