A grand slam winner with space and style, this home offers open plan living with multiple living spaces for the growing family. You may want to hang out in the media room, or maybe the formal lounge, there is a space outside dedicated to the fire pit and a good-sized covered patio for outdoor entertaining. This home is exceptionally spacious with a flexible design that would suit any family. The designer kitchen has stone bench tops and quality Fisher & Paykel appliances including dual ovens, built-in microwave, dishwasher, five burner gas stove top, range hood and an enormous walk-in pantry. With a split-level living area and high raked ceilings there is an abundance of natural light available. The dining area opens out to the undercover entertaining area and the lounge opens out to the fire pit area. Each of the spacious bedrooms have built in robes and ducted air, the master bedroom has walk-in robe and ensuite. Shutters and quality blinds have been installed throughout. The laundry is a good size as is the double lock up garage which has internal access. When it comes to the outside areas, the gardens have been meticulously designed and set out with well placed plants and hedges. If you are looking for a spacious entertainer in a quiet and convenient location then look no further, this one will tick all the boxes for the entire family!
