In a handsome row of period homes nestled opposite Frank Doyle Park and playground, this renovated c1906 cottage has been thoughtfully recreated with respect paid to its heritage charm. Recent updates have added a new sheen and quality to the interiors, with its seamless design giving purpose to every square centimetre. Tucked away in a quiet street with excellent convenience, the home is positioned within a walk of Frenchmans Road cafes, Randwick Public School, bowling greens and the vast recreational expanses of Queens and Centennial Parks.- Charming sandstone entrance, front porch and arched hallway- Flowing open plan living area with seamless outdoor connection- Caesarstone kitchen with Smeg/Miele appliances and gas stove- French doors to a Provincial-style courtyard edged by camellias- Bedrooms with polished pine floorboards and ceiling rosettes- Modern bathroom with tumbled marble tiling and separate bath- Parking space, vine-framed laundry/shed, work-from-home nook
