Presenting a neat and tidy home. The floor plan offers a substantial living space which includes the kitchen, dining and lounge. Located at the rear of the home is the kitchen which provides a service bar, electric oven/cooktop & plenty of cupboard space. The kitchen peers over the dining and living area which has been designed for functionality and entertaining. The Master Suite is positioned away from the other sleeping zones to provide privacy. Featuring a large floor space, en-suite & walk-in robe. The remaining sleeping zones include 3 more bedrooms with bed 2 & 3 including built in robes. To qualify for a showing of this property, you must complete and submit the online application by following the link on this website.
