Before we unveil its brand new makeover, let's tell you a little more about your potential new home! It's a classic, with no pretence and an ease of life. Think: -A large lounge which opens partially to the combined dining and kitchen space to create a social living hub. -Big windows with brand new venetians offering either golden sunlight or perfect privacy. -No skimping on master bedroom size, with full wall built in robes included. -Double size bedroom 2+3 or the perfect office space if you're not using all the rooms for sleeping. -Not one but two private courtyard spaces with easy care natives and a feature peppermint tree offering shady solace out front. -Retro bathroom and laundry. Okay, they're not state of the art, but they are functional and neat. -Brand new garden shed and parking space. -Just six minutes from the coast! With more updates pics coming once the spruce up is complete, we are opening up expressions of interest now for an initial 12-month lease (and an owner who isn't about to sell out from under you!)No pets preferred, but if you're the best tenant ever, they may be negotiable. If you're a house-proud tenant who is looking for their next home and want to be treated like more than just a number, then we would love to hear from you.
