Step into a piece of timeless history with this freshly renovated character home. This unique treasure, having been lovingly relocated from East Brisbane, now stands proudly in the family-friendly haven of Tewantin, offering the perfect blend of vintage character and modern luxury. Inspired by Mark D. Sikes, grandeur and space are illuminated throughout the home, broadcasting high 3m ceilings, VJ boards, archways, and intricate fretwork. Large archways leading into the open-plan living and dining room create a unified living experience for the buyer, including built-in cabinetry and French doors seamlessly connecting indoor and outdoor areas. The heart of the home, the kitchen, features updated appliances, composite stone, and a tasteful blend of modern, country-style cabinetry. Generously sized rooms with grand windows tell the story of a forgotten era while offering the comfort of ducted central heating and cooling all year round. Stepping into outdoor living, the spacious veranda leads to a large freshwater inground pool and expansive, fully fenced backyard including an additional three bay shed fitted out for a separate work studio or teenagers retreat for the creative buyer to choose. Additional features we know you will love include: | 1200mm Fisher & Paykel Dual Fuel Oven | Bosch Dishwasher | Workshop | Extra storage space attached to the studio. | Double carport and side access for extra vehicles or room for a boat or trailer | Large undercover deck Conveniently located on the fringe of Old Tewantin, this ideal location is within walking distance to the school, sports precinct, the Tewantin village, and Noosa marina. A perfect home and location for the detailed buyer with an eye for character, charm, and practicality.
