Soak in the views and all-day sun in this gorgeous home built to capture light and warmth with the north-facing master bedroom, kitchen and living zones. The deck overlooking your garden is the perfect spot to make the most of the beautiful weather the East Coast is famous for. With three generous bedrooms, the master with walk-in-robe and ensuite, huge lounge room and open plan kitchen-dining area, this is a home with great proportions and the feeling of space with the abundant windows. The kitchen boasts modern appliances and ample bench space. The home is punctuated by the beautifully restored floorboards, fresh paint work and the large windows. The rendered brick and aluminium windows represent a solid, low maintenance home, allowing you to enjoy the fruits of your labour in the extensive vegetable patch with numerous raised beds, as well as several fruit trees adorning the garden. The 6.6kW PV solar array will ensure your power bills are miniscule, while the carport, garage and workshop give you space to house your vehicles plus have room to play. St Helens is the largest centre on the East Coast and offers an enviable lifestyle for anyone who appreciates living within easy access to stunning natural beauty, fresh and salt water fishing, surfing, diving, world-class mountain bike trails, bush walking and following exquisite food and wine trails. The town is fully serviced with schools, hospital, hardware, cafes and restaurants, community centre, light industrial area and employment opportunities. To experience this complete package, call me today to arrange your private viewing of this lovely home. Zoned General Residential Council rates approximately \$1900.
