Wiseberry Forster is proud to present for sale, 17 The Mews in the Cape Hawke Estate. This large family home offers a variety of features that make it stand out from the rest. The property is situated on a spacious 924m² flat block and is positioned at the rear corner of a cul-de-sac where it backs onto a beautiful reserve with a groomed botanic garden retreat. The natural backdrop adds to the property's appeal. The home boasts 4 large bedrooms, each with soft bone carpet, beautiful timber ceilings and built-in wardrobes. Natural light fills every room, creating a bright and inviting atmosphere. The master bedroom features a modern ensuite, walk-in robe. There is also a stunning modern family bathroom with a separate toilet. The living area is thoughtfully designed, located separately from the bedrooms. It includes a spacious cinema room and an open-plan layout comprising a living, dining and kitchen area. This arrangement is perfect for family engagement and gatherings. The kitchen is a stand out feature of this home with an Italian ilve 800mm oven and gas cooktop while the addition of a generous walk-in pantry adds to the ample storage available and warm terracotta floor tiles complement elegant black stone benchtops. The home also includes a versatile office space that could easily be used as a guest room, adding flexibility and convenience to the property's layout. The exterior of the property is well-designed and functional. It offers a drive-through double remote lock-up garage, spacious side access and a separate garden shed. The backyard features a generously sized grassed area, which could accommodate a family pool, additionally, there is a second dwelling connected to power and sewerage along with a carport. This extra space could be used for a variety of purposes. This is a rare opportunity to secure an amazing property packed with unique features and extras. If you are interested in exploring this property further please contact your Sales Specialist Todd Hinsby on 0409624193 to schedule an inspection.
