\$1,000,000 - \$1,100,000

Beautifully renovated behind a street presence that conveys the enduring, engaging character of its c1936 origins, this four bedroom, two bathroom home's exceptional family appeal is enhanced by its desirable position only moments' walk from Sunshine Harvester Primary School. Elegant period details are retained throughout the comprehensively updated front rooms while the modern mood of the living and dining dimensions is matched by the evident quality of the open-plan kitchen and the size of a central study zone. Ducted heating and evaporative cooling, attic storage, alarm system, solar panels and the allure of an inviting undercover alfresco area accompany an outstanding address on some 487m² featuring a northerly rear aspect, secure two car garaging and off-street parking for three further cars. Restumped in 2023, repainted inside and out in 2024 - ready for you to enjoy right now!
