Set above an idyllic, family-friendly court, this unique 3-bedroom home boasts a perfect space for the growing family on a large 612 sq. metre (approx.) allotment. Clean, modern lines adorn a practical layout with an added lifestyle bonus, complementing its cul-de-sac position desired by so many. A large L-shaped lounge and dining space sets a remarkable tone for the remainder of the home, wrapping around into a stone-look kitchen with quality appliances and an adjoining family room. Sliding doors introduce a covered terrace that acts as an additional living space protected from the elements, opening to a huge rear yard the kids are sure to love. Work, rest or play in the adjacent rumpus area extending from the double garage, perfect as a recreation/bar room, a home office, or an additional work or storage space. Each of the three bedrooms features split-system air conditioning, with the main bedroom offering an ensuite and fitted walk-in robe. Comforted with ducted heating and split-system air conditioning, it sits a few short steps from Carrum Downs Plaza, with Skye Primary, Flinders College, freeway access, and Pines Flora & Fauna Reserve all nearby.
