Nestled in the sought after Edenbrook estate, this lowset family home offers contemporary living without the stresses of building. Less than 3 years old, this property offers a perfect blend of style, space, functionality, and unparalleled comfort. Boasting 4 bedrooms, master with walk in robe and ensuite, as well as two dedicated living areas, this home has room for the entire family to thrive. Entertain with ease in the modern kitchen, complete with stone benchtops, island bench and walk in pantry. With security screens ensuring peace of mind, and a fully fenced yard offering privacy and security, every aspect has been designed with comfort and safety in mind. Situated on a 762m² block with side access, possibilities are endless for the addition of a shed or pool. Don't miss your opportunity to secure your slice of paradise at Edenbrook! Contact our team today to schedule a viewing.
