As your local experts and the area's largest, most awarded agency with over 80 years combined experience, we are honoured to introduce this property to you. Finally a family home in Cameron Park that won't break the budget!! Would be an ideal investment property, first or second home and would even suit those looking to downsize on one level. Practical floorplan with great spaces for the whole family, both living areas include split air conditioning, central kitchen overlooking the alfresco area and a 'blank canvas' back yard that you make into anything you wanted. Plenty of storage throughout, main bedroom with walk in robe and ensuite and double garage with remote door and internal access. What more could you possibly want at this price, it has the lot but still leaves room to add your little touches!! We are not expecting this home to stick around long at this price, so get along for a look as soon as possible. Cameron Park is one of the fastest growing suburbs in Lake Macquarie with several land releases and a wide array of modern brick homes to choose from. It is very family focused with many buyers moving to the area due to homes being great value for money. With infrastructure increasing there is allocated land for a new shopping centre, school and tavern. Century 21 Aaron Walter is your local Experts. We proudly market this home and are always looking for more homes to sell. If you want EXPERT advice and excellent results please call us now on (02) 4950 6111.
