Discover the perfect opportunity for your weekend getaway in the charming Town of Buchan. This block is in the town zone and initially had a house on it, providing a level foundation for your dream home. The views from this elevated spot are simply breath taking, offering panoramic vistas of the Buchan Valley, the picturesque township, and the majestic mountains. With a little bit of effort and manpower, you can transform this into your beautiful weekend retreat in the heart of this lovely country town. Buchan is famous for its Buchan Caves and historic Buchan Hotel, making it an appealing destination for both relaxation and adventure.
