Looking for the perfect property with ample space and all the features you could want? Look no further! This stunning 4.8-acre property has everything you need for comfortable country living. The house itself boasts a spacious open plan design, with a kitchen featuring a 900mm gas cooktop, electric oven, and corner pantry. The living and dining areas are perfect for entertaining, with a cozy fireplace and reverse cycle air conditioning for year-round comfort. All bedrooms come complete with built-in robes and ceiling fans, and the master bedroom even has its own access to the verandah. Outside, you'll find a 3 car carport that's also tall enough to house a horse float, caravan, or boat. The property is fully fenced and has a separate house yard for added convenience. For those with horses, a large paddock is available for grazing. Want to enjoy some outdoor cooking? The pizza oven is perfect for entertaining guests or enjoying a peaceful evening under the stars. Other notable features include a shed with rainwater storage and a manual roller door, a dam for water supply, a front and back verandah, and a garden shed for storage. The property is also equipped with a septic sullage system, under house storage, and a rainwater tank for eco-friendly living. The metal roof and security screens throughout provide added durability and safety. Don't miss your chance to own this amazing acreage, with so many features and endless potential. Book your inspection today and secure your dream country lifestyle before it's too late!
