Privately located in the Moorall Creek Valley, this lush and sub-tropical 50 acres is sure to impress. The eastern boundary is formed by the beautiful Moorall Creek, with a glorious swimming hole perfect to cool off in those warmer months. The creek flat and house is fenced off to the remaining acres, with fertile soils awaiting your garden of Fruit and Vegetables. The house is spacious and comfortable with 4 bedrooms, 1 bathroom and wrapping verandah that overlooks the main front paddock onto the creek. A real added bonus is the massive 30mx12m shed with one lock-up bay with mains power and back to grid solar (connected to house and shed). Escape the hustle bustle, just 30 minutes from Wingham!!
