\$339,000

This expansive 4-bedroom family home offers a wealth of features, including an impressive in-ground pool, extensive shedding, and ample under-house storage and parking. The property is beautifully presented, boasting excellent fencing and a very private backyard. Inside, you'll find a large, spacious living area with timber floors, split-system air conditioning, and large, bright windows. The kitchen is modern and roomy, with abundant storage and bench space. All four carpeted bedrooms are generously sized, each equipped with split-system air conditioning, ceiling fans, and newly installed built-in wardrobes. The family-sized bathroom is contemporary, featuring a shower-over-tub setup, a separate toilet, and ample storage. The timber floors throughout and fresh, neutral tones make decorating this home effortless. 4 spacious carpeted bedrooms all with splits, ceiling fans and newly built in wardrobes. Large modern kitchen with heaps of bench & storage space. Huge living spaces with timber flooring & splits throughout. Family sized bathroom with shower over tub facility & separate toilet. In ground swimming pool, shedding & massive fully fenced back yard. Huge under the house storage areas, external laundry & car parking.
