Auction

Be very quick on this one. Just listed and ready to be SOLD at or before Auction, this Whitfield home is an absolute special. At arguably one of the best addresses in Cairns, walking distance to the Edge Hill Bowls Club and just over 5 minutes to Cairns Airport and CBD, this home is a very rare offering. The location and the land size in such a tightly held area will appeal to all buyers. The house needs a bit of love to regain its former glory. The bones are good with polished wooden floors all in a very tropical and private setting. The yard has an absolute WOW factor. The 1,483m² allotment allows many options with Cairns Regional Council approvals. This may include redeveloping the site, a possible splitter with battleaxe access and even maybe one of the best house sites in Cairns today backing onto a private creek. This is blue chip Cairns real estate - make your move today. Auction On Site Tuesday 4th of June at 5.30pm - Prior Offers Welcome Open Saturday 10.00 - 10.45am
