This solid, charming, mostly original red-brick beauty is overflowing with 1950s charm, period detail and family appeal with its large-scale, 5-bedroom layout. Comfortable, feature-rich and an ideal dwelling for those who value space, the supreme quality of yester-year, large rooms, high ceilings and loads of natural light. Located in a 'walk-to-anywhere' location, just 800m from the bustling Highett Road strip and the train station, around the corner from the terrific Chapel Road shopping strip; an easy walk to both Bricker and Highett Reserves, Waves Leisure Centre and Southland shops. Five large bedrooms or four plus a gorgeous study or library room with a full-length built-in bookshelf - all serviced by a pristine family bathroom and separate laundry. A spacious lounge and dining room and a functional original kitchen. Outside, there's a full-length driveway to an oversized single garage, a carport or undercover entertaining area and plenty of garden, lawn and space for kids, pets and green thumbs to roam and explore.
